

WRK-LED-180

WORK LED LAMP

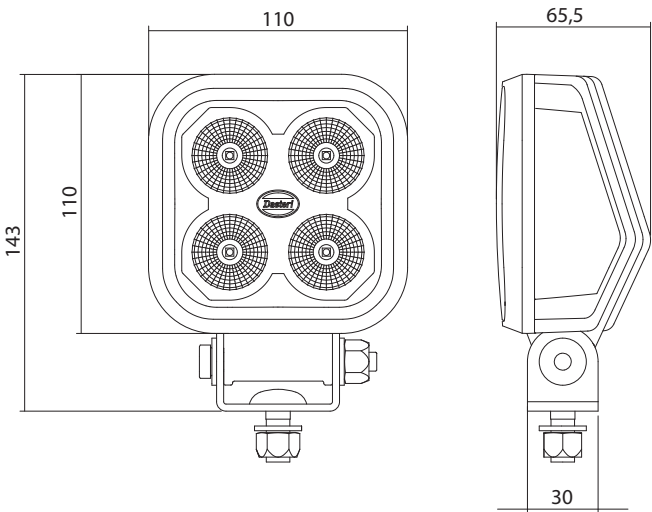

PRODUCT BENEFITS

- Attractive EU design versions
- Intense Light Output
- New technology LEDs
- Robust design
- EMC approved
- Multivoltage 12-24V
- IP67 Protection

TECHNICAL SPECIFICATIONS

Product Number		WRK-LED-180	WRK-LED-180H
Operating Voltage		10V - 30V	
Reverse Polarity Protection		Yes	
Consumption		22W	36W
Temperature Range		-40C / +85C	
Material	Lens	PC	
	Housing	Aluminum	
Type of Protection		IP67	
Approvals	EMC	R10-O5	
Lumen Output	Lumen	1800 lm	3600 lm
Type of Connection		Integrated DT Connector An adaptor from DT to open end cable is also included (500mm)
